What can you buy?

The articles are listed this catalogue.

The kit sets are likely to be in stock most of the time
while ready-built models could be temporarily sold out.

New badges will only be built in case of time and inspiration :-)

Prices.

The prices are noted in Swedish kronor (SEK) with an approximate rate in Euro.

The prices includes Swedish VAT.

Foreign payments should be done in Euro as specified in the invoice.

Payment / delivery

The delivery of our products is done on the basis of advance payment.

When an order is received the articles will be reserved and an invoice will be sent by e-mail.

Shipping

For each order an expedition fee is added wich will cover package and shipping depending on size and w delivered.

Foreign orders

For orders outside Sweden payment is preferred and accepted via Paypal secure Credit card.

- No Paypal account is necessary for the customer.

- A Paypal invoice and further payment information will be sent by e-mail

In case of using bank transmission for payment all resulting costs of sending bank and our bank must be paid by the cu

Transmission can be made free of charge from the Euro-countries, please ask for our international bank numbers.

Delivery

A confirmation will be sent by e-mail and the delivery of products will be done as soon as possible after the invoiced am on our bank account.

The company is just a one-man, spare-time business, and we may not be able to complete larger orders just-in-time.

The best way to contact us is via e-mail, evenings and week ends.

But our ambition is still to give you a fast and reliable service.
